

# WE ARE HIRING A CLINICAL DIRECTOR

Agency seeking a Clinical Director / Head of Clinical Operations to join and grow with a rapidly growing ABA Agency.

They are operating in 2 states (GA & TX) with more in the pipeline. They are seeking someone who can work to put best clinical practices and procedures in place as they continue to scale and to serve as an escalation point for clinical policies and issues.

Excellent team environment with lots of room for both day one impact and growth!
