Additionally, we provide **referral bonuses, company-issued laptops, and student loan reimbursement**. If you are ready to change lives through ABA therapy, apply today!

ABOUT MEDCARE PEDIATRIC Group- Rise

MedCare Pediatric Group – Rise was founded in 1991 by a husband and wife team with a vision and passion for helping others. We started with three staff in a tiny office and now have nearly 300 employees. We believe every employee is an asset and integral to our success. Our culture is driven by our family values. We believe in fun at work and celebrating achievements. We have silly dress up days, fun competitions and offer exciting rewards when goals are met. Our team is dedicated to improving the health and functional abilities of children with special medical and developmental needs. We strive to make a difference in the lives of children through individualized physician-directed care and our multi-disciplinary team. We also have an annual event called Trees for Tots where we give away Christmas trees to families with special needs children. We truly care about those we serve and those we work with and employ.

A DAY IN THE LIFE OF A BCBA

As a Board Certified Behavior Analyst (BCBA), you will provide support to RBT's, BCaBA's, and BCBA's by developing, coordinating, and providing clinical development training to staff. You will conduct initial assessments, provide parent training, and assist with administrative tasks for clinical team. The BCBA will also be responsible for staff trainings on ABA teaching methods.

The Board Certified Behavior Analyst (BCBA) will manage the ABA therapy department and ensure the quality and integrity of services is being provided. You will also conduct initial and ongoing staff observations. The BCBA will coordinate with program staff to ensure program consistency. You make a difference in the lives of the child and family!

QUALIFICATIONS

- Master's degree in Behavior Analysis
- Currently certified by the BACB as a BCBA
- 2+ years of experience as a BCBA

Do you have exceptional communications skills? Do you have strong experience working with children? Do you want to MAKE A DIFFERENCE?

Join our Amazing TEAM today and become part of the MedCare family!
