## **Job description**

We're Hiring!

Full-Time Clinical Supervisor-BCBA

Stable Life Concepts, LLC was founded with the belief that all aspects of the human body and functioning is of equal importance. In order to truly provide quality over quantity service, we believe that services should be available under one entity. Passion to provide a safe environment for families by being honest and ethical, embracing forward thinking and respecting family dignity are the roots that SLC was founded on. We believe that growing family as a unit by uniting collaboration of all stakeholders is essential for a firm foundation.

Our emphasis is between the ages of 18 months and 21. We currently provide Applied Behavior Analysis, Speech Therapy, Occupational Therapy, as well as Counseling Services. We empower families to acquire the necessary skills to help transfer their children's learning across all environments. It is our overall goal to help clients have as much functional independence as possible. Stable Life Concepts has provided the Central Texas area with quality and comprehensive services since 2016. We believe in keeping our community healthy, and we're committed to exceeding the expectations of our clients with cutting edge services.
