Behavioral support services provide specialized interventions that assist an individual in increasing adaptive behaviors and replacing or modifying challenging or socially unacceptable behaviors that prevent or interfere with the individual's inclusion in the community and which consist of the following activities:

- (1) Conducting a functional behavior assessment;
- (2) Developing an individualized behavior support plan;
- (3) Training of and consultation with an individual, family member, or other persons involved in the individual's care regarding the implementation of the behavior support plan;
- (4) Monitoring and evaluation of the effectiveness of the behavior support plan;
- (5) Modifying, as necessary, the behavior support plan based on monitoring and evaluation of the plan's effectiveness; and
- (6) Counseling with and educating an individual, family members, friends, or other persons involved in the individual's care about the techniques to use in assisting the individual to control maladaptive or Socially unacceptable behaviors.

In order to provide services, candidates must fall under the following:

- (I)(A) a psychologist licensed in accordance with the Texas Occupations Code, Chapter 501;
- (B) a provisional license holder licensed in accordance with the Texas Occupations Code, Chapter 501;
- (C) a psychological associate licensed in accordance the Texas Occupations Code, Chapter 501;
- (D) a clinical social worker licensed in accordance with the Texas Occupations Code, Chapter 505;
- (E) a licensed professional counselor licensed in accordance with the Texas Occupations Code, Chapter 503; or
