

MedCareTM

Pediatric Group, LP

MedCare Pediatric Group is seeking a full-time passionate Board Certified Behavior Analyst (BCBA) to join our team. Are you passionate about working with children? Are you looking for a job where you can bring your skills to the table and work with a company who cares deeply about their patients and their employees? Are you looking for a company that can offer a multi-disciplinary approach? If so, apply today! This position has competitive compensation with a sign-on bonus. We also offer an extensive benefits package including medical, dental, vision, paid time off, flexible spending account and a 401k plan. Additionally, we provide relocation assistance, referral bonuses, company issued laptops and student loan reimbursement.

ABOUT MEDCARE PEDIATRIC GROUP

MedCare Pediatric Group is located in Houston, TX. MedCare was founded in 1991 by a husband and wife team with a vision and passion for helping others. We started with three staff in a tiny office and now have nearly 300 employees. We believe every employee is an asset and integral to our success. Our culture is driven by our family values. We believe in fun at work and celebrating achievements. We have silly dress up days, fun competitions and offer exciting rewards when goals are met. Our team is dedicated to improving the health and functional abilities of children with special medical and developmental needs. We strive to make a difference in the lives of children through individualized physician-directed care in their homes or at our facilities. We also have an annual event called Trees for Tots where we give away Christmas trees to families with special needs children. We truly care about those we serve and those we work with and employ.

A DAY IN THE LIFE OF A BOARD CERTIFIED BEHAVIOR ANALYST (BCBA)

As a Board Certified Behavior Analyst (BCBA), you work with children one-on-one in our outpatient facility. The Board Certified Behavior Analyst (BCBA) will also create and implement treatment plans to address various levels of development (e.g., communication, motor skills, compliance, problem behavior) so that each individual can reach his or her maximum level of independence. You manage a caseload of pediatric clients with various needs using professional, client-centered principles to assess, plan, and implement behavior therapy treatments and interventions.

The Board Certified Behavior Analyst (BCBA) is responsible for developing ABA treatment programs for clients with ASD9 attributes. The Board Certified Behavior Analyst (BCBA) will implement treatment, evaluate client progress towards treatment goals, monitor treatment integrity and adjust treatment protocols based on data. You make a difference in the lives of the child and family!

QUALIFICATIONS

- Master's Degree in Behavior Analysis
- Currently certified by the BACB as a BCBA
- Minimum of two years' experience as a BCBA

Do you have exceptional communications skills? Do you have strong experience working with children? Do you want to **MAKE A DIFFERENCE?**

Join our Amazing TEAM today and become part of the MedCare family!
